THE HONOURABLE SRI JUSTICE
A.GOPAL REDDY

W.P.No.6818 of 2006

Oral Order:

Admittedly, the petitioner obtained DD for lifting the essential commodities on 29-03-2006, whereas Clause 23(2)(a) of A.P. State Public Distribution System Control Order, 2001 specifies that every 1st to 5th of every month the DDs. have to be remitted by the dealer for supply of essential commodities and on such compliance the Checking Inspector, UDRI/ CSRI/Deputy Tahsildar (CS) should inspect the fair price shop soon after lifting of essential commodities by the fair price shop dealer. Petitioner having failed to submit the DD within the period prescribed under the Control Order cannot complain non-supply of goods.

Whether the said condition can be condoned or not can be considered by the appellate Authority—Joint Collector. Petitioner having violated the conditions cannot invoke the jurisdiction of this Court under Article 226 of the Constitution.

The Writ Petition is accordingly dismissed. No costs.
